

New (Not-Cell) Towers Going in.....

We have just been notified that internet towers are being proposed in three areas of the subdivision.

We understand your concerns, and also the fact that this is very short notice before the County Supervisor's Meeting on the permits.

We wanted to get this information out to as many people as possible.

Here's the Supervisors Meeting Info and below that is a forwarded answer from County Development for our request for information.

Hello Pam,

Thank you for your response. I have received your letter, and your comments will be included in a packet that will be given to the Tuolumne County Planning Commission for review.

You are welcome to additionally voice your comments during the public comment period when the project goes before the Commission. A notification of the scheduled Tuolumne County Planning Commission meeting will be sent out to those who received the stakeholder letter regarding the project.

I have included links below for additional information.
