IX NEXT SCHEDULED MEETING DATE / ADJOURNMENT
Next Board Meeting - April 8, 2026 - 6:30pm

Respectfully submitted,

Shelley Cummings - Board Secretary

We love our Dogs – We also need to be good neighbors.

There are some common misconceptions when people move to a rural area that can unintentionally cause friction between neighbors, can endanger both animals and people and even possibly lead to legal issues.

- **Nuisance noise** (Consistent barking more than 30 minutes).
 - Dogs that are stressed, lonely or untrained can get into the habit of barking almost continuously during the day or even sometimes at night if their owner is gone.
 - Sound travels well in rural areas and hearing repetitive barking becomes very unpleasant for others in the area.
 - In addition, the county ordinances against nuisance barking allow for legal nuisance charges for the owner and even allow animal control to impound the animal which would cause distress and further expense. Barking / Nuisance ordinances: Tuolumne County 6.04.365. Mariposa County 6.16.010 – 6.16.040.
- **“Free Roaming” Dogs**
 - Both Mariposa & Tuolumne County have “Leash Laws” that require dog owners restrict their loose dogs to stay within the owner’s property and when outside their property the dog must either be on a leash or under the “direct control” of the owner.
 - Loose dogs can be picked up by Animal Control and getting them back can be very costly. Repeated offenses can result in fines. If your dog does not have a collar and tags when picked up they are not kept very long before being disposed of.
 - Dogs running loose frequently get injured being hit by cars or getting in fights with other dogs, they bother other residents and even damage property.
 - Even friendly family dogs will pack together and cause trouble including harassing local livestock. It is legal for dogs caught chasing or harassing livestock to be shot by the owner of the livestock. They don’t want to kill dogs, but their livestock is their livelihood and they will protect them.

If you need to fence in an area for your dog to run freely a simple application to the Association for an animal fencing permit is easy and free. Contact the LDPOA office 852-2312 or info@ldpoa.com. We love our pets - let’s keep them safe.
